BRZE ACCIDENT KIT

MALAYSIA

In the aftermath of an accident overseas, the rules aren't always clear. Brze is here to walk you through the process of a successful claim.

Brze is a comprehensive motor solutions portal that offers consultancy and services in the areas of claims, accident assessment, insurance, and vehicle reconstruction. We exist to educate and empower the community and assist motorists on our roads.

5 STEPS TO TAKE:

1

EXCHANGE PARTICULARS

Name · Vehicle no. · Contact no. · IC no.
Address · If the other driver refuses to cooperate, note down their vehicle number.

2

SNAP SOME PHOTOS

Take pictures of vehicle damage, weather, road conditions etc. Also look out for potential witnesses!

3

CALL BRZE FOR TOWING

Our Malaysian partners will send a tow truck to the scene and bring your vehicle back to Singapore.

4

MAKE YOUR REPORTS

Do not leave Malaysia without making a police report! Remember to make a report to your insurer in Singapore as well, and to obtain the necessary medical reports if you are injured.

5

GO TO OUR REPORTING CENTRE

Our friendly experts will assist you with the rest of your claims process.
